“ *To Trish and Family,*

*So sorry to hear of Tom's passing. We were good friends in the nineties when we both attended the East Cobb Church of Christ. Our class did so many fun things together. There was a close group of us that liked to go out to eat together and visit in each others homes, I have a lot of good memories of that time.*

*You have my sympathy and love.*

*Sincerely,

“ *To Trish and Tom's family, I send my deepest condolences. I've known Tom since we were children and he was known as Tommy. His family and mine were intertwined long ago; our dads were friends, his mom and my dad were friends, and culminated in his brother marrying my sister--Sally. Tom was very well-liked at our high school, and had lots of friends, male and female. This generation of the Casey family is now gone. I miss them all. My prayers are with you.*
