“ *TFB was a wonderful boss.I was a Yankee thrust upon him back in the 70's and he helped me grow as a Deere employee. It was a pleasure to work with him and to have his friendship. I have lots of memories...he would always say "Madam Librarian is that correct?" I'm sure he's in Heaven with Betty and his friends. Farwell is probably teaching him to play poker. We will miss him. My sympathy to his family.##imported-begin##Cathy Bailey, Pharr TX##imported-end##*

“ *He will always be Mr Bishop / TFB to me and signed with green ink. I worked in Atlanta/Conyers from 1972 through 1979 in accounting. He was a gentleman first a friend second, and a manager third. I was just a supervisor and a "Yankee" to boot. He is a man I admired the moment I met him and that feeling has grown over the years. We have been email buddies the last 15 years or so. My regret is I didn't get back to Atlanta one more time to visit with him in person. I know he is now greatly enjoying being reunited with his beloved Betty and all his Deere friends that preceeded him.##imported-begin##Gary A Bennett##imported-end##*
