“ *Our last meeting was too hot for any kind of fire but he did share his lantern when it was night time. I loved that lantern so much he gave it to me. The next time it is lit will be in his memory at the same place we shared it. I will miss you Tom. - Momma Paige*

“ Tom loved fire. Whether camping, in the fireplace, the fire pit on the deck, in the grill, on the stove, or candles, he loved fire. It relaxed him and we spent many, many hours talking beside a nice fire. So glad to have these memories. 🔥
