“ *Kim & Butch, Seems only short time ago we were enjoying company during Kim's wedding and working on Butch's Buick. I have only fond memories of Wayne (nurdlinger) as our friendship grew during late sixties, thru the seventies and especially today. He would tell me during those fast years "I think we can be friends after this is over." He was so right. Hope you will try to stay in contact. Our prayers are with you and your loved ones during this hour. If I could tell Wayne one thing it would be "save me room on the 6th floor of the Warwick when you get to heaven." A true gentleman with much love for his family. Love, Howard
Teresa & I were disapointed we were unable to be with ya'll today.##imported-begin##Howard A. Wilcox, Jr.##imported-end##*
