“ I will miss you Tony,
You are loved!

"Smile"

"When there are clouds in the sky

You'll get by if you smile

And maybe tomorrow

You'll see the sun come shining through for you

Light up your face with gladness

Hide every trace of sadness

Although a tear may be ever so near

That's the time you must keep on trying

Smile what's the use of crying

You'll find that life is still worthwhile

If you just smile"

“ Tony,

You were the sunshine in this family for many years. We came to know you far too late, but God's timing is always best. You knew how to love and show love even though you didn't know the meaning of the word. You were one of God's special angels sent to us and you brought joy, and a happiness that words cannot describe. Always laughing, even if you didn't know what we would be laughing about- and that always brought on another round of laughter. You touched this family in a gentle and profound way. Never asking for anything, but always giving instead. I know Daddy is waiting at the gate with a big smile and open arms—tell him hello for me!!

I LOVE YOU Buddy.
