

Mr. Thomas York

November 21, 1954 - January 3, 2022

Thomas Ray York of Roswell, GA passed away peacefully at home, surrounded by family on January 3rd 2022 at the age of 67.

He is survived by his loving wife of 43 years, Gail York; his two adult children, Collin York and Lindsey York Gearhart; and his granddaughter, Elise Marshall.

Tom was born and raised in Little Rock, Arkansas where he met and married his high school sweetheart and started a family. He began his professional career as a furrier for over 15 years before relocating to the Atlanta area and becoming a successful commercial real estate agent. Tom was a quintessential outdoors man, always taking his family camping, hiking, and boating. Tom was also an avid bass fisherman. Evidence of his greatest catches are mounted proudly in the family room next to all the antiques. Tom was able to take his dream fishing trip with his lifelong buddies to the Amazon in search of the prized peacock bass (which he found!). Tom's greatest joy in life was spending time with his family. Sunday night dinners were a regular tradition (absolutely no casseroles allowed!). Tom leaves behind his legacy of wisdom, strength, humor, and above all his incredible love.

A celebration of his life will be held Wednesday, January 12th 2022 at 11:00am in the funeral home chapel. Reception to immediately follow at Northside Chapel.

“ Tom was a great mentor... He enjoyed teaching me the business of real estate management and great customer service. I appreciate his character, compassion, love of his work, and his family values. He assisted me in many ways outside of business as well. I am sure I will see you again my friend.

“ Way over two decades ago when we first met, Tom York was the kind of business associate we all want to have and to be: conscientious, compassionate and achieving. He became an irreplaceable part of our company's success. Over the past 25 years, we grew to be close friends who shared day-to-day life and responsibilities and cared about each other's families. Tom and I shared a love of the outdoors: he especially got a kick out of the Yellowstone wilderness trip we took together where I basically disabled the horse who had the misfortune of transporting me. Tom was unscathed and my backside hurt for weeks. He thought that was funny. Much more pleasant were our boating and fishing outings. Tom was a one-of-a-kind friend. Our family loved him and will miss him greatly. To his beloved Gail, kids and granddaughter, all the Bladens share your grief.
