

Mr. Troy Dale Howell

April 17, 1971 - February 26, 2018

Troy Dale Howell, 46, beloved son, husband, father, brother, coach and friend to all, passed away in his home in Woodstock, GA on February 26, 2018.

Troy grew up in Columbus, Ohio and played multiple sports through high school including basketball, baseball, lacrosse, track and field, and soccer. His love for soccer continued through college where he played for The Ohio State University Men's Varsity soccer team. It was during college where he found a passion for coaching as he was selected to be on the coaching staff for the Ohio State Buckeyes youth soccer camps. Troy continued his love of coaching after college as the head coach of Hilliard Weaver Middle School boys soccer team for 6 years leading them to 3 league championships.

Troy was a VP of Sales for Medical Imaging Solutions in Woodstock, GA for 16 years. He loved to spend time with his family and friends and was especially grateful for the opportunity to coach his own sons just as his dad, Dale, had been a great coach and mentor to him and his twin brother growing up. He was especially passionate about encouraging the potential of every young athlete, which will be his lasting legacy.

Troy is survived by his wife of 15 years, Aleisa, their sons, Zachary (11) and Jacob (10), his father, Dale, of Decatur, AL, his twin brother, Trent (Tammi), of Decatur, AL, and his mother-in-law, Katharine Bugbee, of Woodstock, GA.

Troy was preceded in death by his mother, Joyce Williams Howell, and his grandparents, John and Hilda Williams and Kermit and Marie Howell and his father-in-law, Robert W. Bugbee.

A celebration of Troy's life will be held at Northside Chapel in Roswell, GA on Sunday, March 4, 2018. Visitation with the family will be from 1:00-3:00 pm followed by a service at 3:00 pm.

For those wishing to make a contribution in Troy's honor, a Troy Howell Memorial Fund has been established to support Jr. Chiefs Baseball; donations may be made in person at any Wells Fargo branch or online at GoFundMe.com.

With his kindness and generosity, Troy taught us many things, but mostly he gave us a glimpse into the extraordinary beauty of the human heart. Troy was greatly loved and will be dearly missed.

The family asks that you spend time with your children, take a walk on the beach with your loved ones and make a toast to enduring friendships lifelong and beyond. That is what Troy would wish for you.

“ *I am so sorry to hear of Troy's passing. What a wonderful person. As one of the Howell twins, he was the competition in HS/college through soccer, but afterwards he and brother Trent became friends. I pray for all the family affected by this loss that God will provide eventual peace and comfort. Todd Gummer*

“ Troy was one of the nicest people I know, and though we didn't keep in touch after high school (until we reconnected on Facebook), growing up down the street from each other, I have always felt like we were family. Funny story - he was my first crush in elementary school (I think he was in 5th grade and I was in 4th). And, to find out whether he liked me, I would send him notes with questions like "Do you like me? Yes or No" and "Do you like it when I cheer for you when you're playing basketball at recess? Yes or No." He was sweet and actually answered them. My heart breaks for Aleisa, Zachary, Jacob, Dale, Trent and his family and everyone else who had the pleasure of knowing Troy. I pray you will all feel God's peace and will find comfort in knowing you will all one day be reunited in Heaven.

“ Troy was a terrific father, husband, friend, and neighbor. He is gone way too soon, and he will not be forgotten by anyone that knew him. He will be missed.

We had our three children in the same time frame as Troy and Aleisa had the boys. They brought us pizza in the hospital and we returned the favor--it was quite a tradition back and forth for years. Our children loved to call out to "My Coy" across the back yard fence, (they couldn't quite pronounce his name at first). He always shouted back their names with a huge smile on his face, and they loved it.

Everyone in the Cramer family sends love and condolences to the Howell family. We are here for you.

“ I have worked with Troy on a number of projects over the past 10 years and he was not only the consummate professional, but a genuinely good man.

He talked of his family often and of the coaching and helping out for the boys teams. I loved to hear Troy chuckle and laugh about anything. His laugh was infectious and brought a smile even if we were just on the phone and I could not see him.

My deepest condolences to the family and to all who were blessed to be around him daily.
