“ *Val-You are dearly so missed. You were not only a great friend but a great mother. Your Dogwood family just found out this past weekend and we were all teary.*

You are in God's safe arms now and always. Psalms 23:4 says "even though I walk through the valley of the shadow of death, I will fear no evil."

We love you so much Val, May your great soul rest in peace.

“ *Hey Duane, I am just now getting around to this but I wanted to tell you that I know the loss of your mother was and is difficult. I can not imagine the full range of emotions you and your family are dealing with, I can imagine it is painful. Your mother is at rest and I know you have many moments to remember and reflect. She will continue to live with you inside your heart. See you soon.##imported-begin##TaNeika##imported-end##*

“ We are truly sorry to see Aunt Val go. She opened many doors for us and helped us without knowing it. God wanted another amazing angel within his heavenly gates and he definitely got one. Although it is extremely hard that she is no longer with us. It is good to know we have an angel watching over us.##imported-begin##The White Family##imported-end##

“ Val was my best friend and she was such a caring person. I initially met her through a friend that recommended her as a hair stylist, and since that first meeting I knew she was going to be more than just my hair stylist but a life long friend. She always said that I needed to get out the house more and do something fun and exciting and stop be boring. I know that I am going to miss hanging out with her and talking to her on the phone, but I know she is in a better place and is keeping watch over her family and friends.##imported-begin##Sybil Henry##imported-end##

“ Those we love remain with us,
for love itself lives on
Cherished memories never fade,
because a loved one is gone.

Those we love can never be,
more than a thought apart
For as long there is memory
they'll live on in our heart. (Adapted)
