“ *So sorry to hear of Mrs. Vernie's passing from this world. While it is sad for us, her entrance into the presence of our sweet Jesus and all her loved ones waiting on her was the most joyful time for her. She was one of my favorite people at Church. I remember when she first came to Longstreet, she welcomed my encouragement often let others know how I made her feel "at home". She made me feel so special. She had a beautiful voice and added so much to our little, country choir. She never met a stranger. I will always remember her sweet, genuine spirit. She had that natural light of love that shined on everyone she came in contact with. If only I could be a little more like her... sweet peace Mrs Vernie. You made such an impact on my life. I will always love and remember your sweet smile and encouragement. Until we meet again... Dale Richards (and Michael)*

“ *So sorry to hear of Miss Vernie's home going. We had some sweet conversations when I would pick her up for church. She spoke so many times of the fond memories of her dear husband, Calvin and was looking forward for this time to come so she could be reunited with him. She always looked so beautiful. She loved for us to go back and eat after church and I would never leave her house without a jar of jelly or an apple or something. My sincere condolences.*
