

## Mrs. Veronica Genito

August 2, 1962 - December 6, 2022

Mrs. Veronica Genito, age 60, of Milton, Georgia, passed away on Tuesday, December 6, 2022. Veronica was born on August 2, 1962 in Staten Island, New York, the daughter of Herta Brasowski and the late Igor Brasowski.

In 1969, Veronica and her family moved to Norwood, New Jersey, where she enjoyed playing outside with her neighbors and friends. She had her first job at the age of sixteen where she met her life-long best friend. She was a hard worker and a team player, but also made a point of enjoying life. In fact, on most Thursday nights you could find Veronica and her best friend dancing at the Holidome in Suffern, New York.

In 1982, Veronica met Anthony (Tony) Genito, the love of her life, and they were married two years later. They were blessed with three daughters: Stephanie, Gabrielle, and Jacqueline. Veronica and Tony loved each other deeply and enjoyed sharing precious moments and adventures together; their love set an idyllic example.

Veronica was a bright light with a beautiful and vibrant spirit. She was a loving and caring friend and was always there to lend support to those who needed her. She loved art and music and enjoyed sharing both her talents and impeccable taste. She sang to David Cassidy and danced to Donna Summer. She was constantly working on crafts and projects for friends and family, and

she was always ready, willing, and able to roll up her sleeves and help turn a design dream into reality. Her list of projects, like herself, was inexhaustible.

Veronica loved to travel. She enjoyed any adventure, whether it was going to the movies, a museum, a hike up a mountain, or a picnic in an apple orchard. Of all the places she visited, her favorite was Italy because she loved the historic art and architecture of Rome and the scenic villas and lush gardens of Lake Como. She loved nature and had a talent for gardening and landscape design. She also enjoyed swimming and being athletic, and she instilled her passion for fitness in all three of her daughters.

Veronica was a patient and nurturing mother who was always there. She made and packed awesome lunches and was always busy chauffeuring them to one of their many activities; whether it was dance, soccer, lacrosse, skating, choir, modeling, or Girl Scouts. She volunteered as a class mother where she chaperoned on class trips, assisted in serving hot lunches, and headed up the school yearbook committee.

She made snow forts, mixtapes, and tremendous desserts and hosted a legendary annual Oktoberfest. She appreciated lounging poolside with friends with an occasional afternoon Diet Coke, or sometimes with a glass of wine. She was a daughter, sister, friend, wife, mother, and an impeccably strong woman. She lived and taught gratitude and compassion: Veronica was a generous, kind soul who was always there to help those in need. Her legacy, memory, and influence will forever remain in the lives of all who knew her.

Veronica is survived by her husband Anthony of Milton, Georgia, and three loving daughters: Stephanie, of New York, New York, Gabrielle, of Nashville, Tennessee, and Jacqueline (Bjorn) Hornikel, of Birmingham, Alabama, her mother, Herta Brasowski, of Alpharetta, Georgia, and her brother, Leon Brasowski, of Gillette, New Jersey.

A memorial service to celebrate and honor the life of Veronica will be held at a future date to be determined.

“ Dear Tony, Stephanie, Gab and Jackie, This has taken me quite some time to be able to sit and write this, the sadness too deep. My heart is with you more than you can imagine. I think of you and my wonderful friend almost everyday. She was such a wonderful, generous, thoughtful, FUN friend. A lot of the days I think about the times we spent together, always ending up laughing no matter the circumstances. Even when we spent weeks together at a time at the beach with 6 kids between us we had great times. Or spending new years with more kids than I cared to count spending up to 12 plus hours with our families enjoying time together. The common thread, always laughing! It is hard for me to picture times when V did not have a smile on her face, always up for a fun adventure. Many of the memories include all of you. I want to share one additional memory when you were not there. It was the three musketeers in Canada! We were finishing up our long weekend in Quebec, our last evening and decided to get into a taxi to head back to our hotel. I am sure you have heard the story of our inept cab driver, but what you may not know is how much we laughed at the hospital in spite of the situation. Roberta and I were waiting for many hours in the waiting room for our friend, we were very worried because we had not gotten to see or talk to her for a long time. Finally they wheel V out to sit with us in the waiting room, she has bandages all over her head, her hair was sticking out every which way, she still had dried blood everywhere. The first thing she says to us, with her hysterical sarcasm is that she hopes she doesn't look half as bad as the two of us. It may not sound funny in black and white but Roberta and I nearly peed our pants laughing and then we continued to laugh for the remaining hours we waited. That is what I will miss most, laughing with my dear friend. God is very lucky. I love you all. Char

“ Tony, It's so hard to understand how someone so beautiful, healthy and vivacious could succumb to this horrible disease. No words could express how sorry we were to hear that Veronica lost this battle. Lauralyn kept me up-to-date with the loving support you and your girls surrounded Veronica with as you ALL faught this disease along beside her. You two seemed to have a once in a lifetime kinda love. Please know we are praying for you all as you move through this herrific sadness. God Bless, Bridgette and Shawn Cunniff

“ Tony, Steph, Gab & Jackie... I'm so so sorry. I loved Veronica and enjoyed our friendship for many years. Some people search a lifetime for the kind of relationship Tony and Veronica had as husband & wife. And their love was expressed to each other daily. Veronica was an amazing mother to her three beautiful daughters. She had a special bond with each of them and they all adored her. All three are different but hold the strong morals and values Veronica believed in. They will live on sharing Veronica's love for life. Veronica was a beautiful soul inside and out and loved to laugh and have fun. She was always up for anything. She was so humble and gracious and always looking for the best in people. I loved Veronica's flair and her simple attire, she would look amazing with a white sheet wrapped around her. Veronica will be so missed but I hold her beautiful memory in my heart. Our souls will cross again...

“ *Veronica was truly one of a kind. She always made you feel like you were the most important person in her world. Her encouragement made you feel like you could do anything. She encouraged to dream and enjoy the moment. She was quick to open her home and her arms of love. My life is better because she was in it. I will forever love and remember my friend, Veronica Genito.*

*Tony, much love and many prayers to you and the girls.*

“ *I will miss Veronica deeply as she became one of my closest friends. She was the first neighbor to reach out and say hello & welcome to the neighborhood with a sweet plate of cookies. She & I quickly realized we both loved gardening and we shared many moments together sprouting and planting our heavenly blue morning glories & moon vines. In summer we would share some drinks and enjoy the glorious blooms surrounding us on our vines. I will always keep her very close to my heart and my family will always cherish our good memories.*

“ Tony and Family,  
We hope your family and all your friends will be the comfort you need during this sad time of missing Veronica. Veronica had such style; she was exceptionally beautiful and always dressed so perfectly, But then she was openly kind to both Glenn and me at St. Thomas Aquinas, as you both were.  
We have been touched by how you handled your journeys with illnesses; your strength and demeanor has been a great example for us. We will continue to pray for all of you.  
Love,  
Dorothy and Glenn

“ Tony,

*Dave shared the news of Veronica's passing with me today, Jen and I both immediately remembered the amazingly enjoyable Spectrum Brands Dinner we shared with you both. We had so many interesting shared values and perspectives. Seemed as if we had known Veronica for many years.*

*Jen and I pray you will be greatly comforted by your faith during the events your family planned and selected to most appropriately remember and honor her life. We too will be respectfully mourning her passing and remembering what a very wonderful & special lady she truly was.*
