“ *Ruth and Mark were neighbors of my family in Danbury, CT. Mark and John Young (my Dad) both worked together at UPS. Ruth and Amy Young (my Mom) became great friends. Ruth and Mark hosted and Ruth catered my Dad's retirement party when he retired from UPS. It was a wonderful time celebrating this milestone event, and Ruth did an amazing job. Ruth was friendly and giving and a wonderful baker. As the Casseday's moved and my family moved, John and Amy Young and Ruth and Mark continued to stay in touch and were able to meet and visit over the years.*

*Prayers and thoughts for the Cassedays and extended family!*

“ Ruth was always there while Matt and Jack were at school, volunteering to do what ever she could. She was The sweetest, gentlest person. I remember several years ago she volunteered to help with my art club’s end of the year community service project, We like to decorate cookies and deliver them to the local fire and police departments. Ruth showed up with lots of cookies and icing, the kids had a fantastic time! The kids talked about the experience forever! So typical of anything Ruth and Mark got involved in at school. Ruth’s memory will live on because she touched so many, with her kindness and spirit. Love to the Mark, Matt and Jack, my prayers for peace are with you.

“ Ruth was a dedicated and loving mother and wife! When teachers have mothers like this for a year, it is wonderful! When the friendship goes longer, it means so much. She shared herself , including her skills in making a wedding cake for my daughter. Her gentle love and great spirit will be missed on earth. Peace to her family.
