“ *Victor was one of a kind. I met him working at DEC in the mid 80s and will never forget his sense of humor, his love for his white fluffy dogs, his joy at Christmas (what a tree!) and lots of good times over the years. He was so artistic and talented, always with a camera, a smile and great energy.*

“ *Victor has been on my mind of late.. I just found out about his passing since we moved from Alpharetta over two years ago we have not been so much in touch. Victor was such a sensitive and creative person and our love for our dogs was such a bond...and our LOVE of holiday decor! I remember one cold winter when his Dad was in the hospital and Fraser passed. I helped him bury him next to Nick in the back yard! I will never forget! And I will always think of him when I look at our wedding pictures. Victor came down to S FL in 1990 to take our wedding pictures. I will always remember the sweet man you were..

“ I had the privilege of working with Victor twice over the course of my career. He was always so kind and so helpful. Always had an inquisitive mind and always willing to share what he learned and knew. I will never forget his amazing Christmas Tree and how happy he was when my children saw it for the first time.

Thank you, Victor, for being a great friend, no matter how many years separated our meetings...

“ Victor was such a wonderful Man! His infectious smile; contagious laughter will all be missed. There were very few days that went by where I didn't see him running around to help someone (with a TaB in his hands LOL). That was just who he was; always helping someone. Even if just to stop and talk for a moment. His beautiful Holiday parties, always inviting everyone and their families into his home will forever hold a place in my heart. I send my deepest condolences to the family at this time of loss. He will forever be missed!

As Victor's Uncle I remember how kind he was to my two daughters. My main regret is not spending more time with him but someday we will join him and his father. The Bible says to celebrate and we do celebrate his life but the loss is painful for all who knew him. My love to all the family especially my sister Audrey.

“ *In our thirty eight years of friendship, I have been truly blessed. Victor was a best friend and confidant. We have laughed until our sides ached. We have been through thick or thin with the ups and downs of life. He was an artist of music and paint. There is nothing that he could not do. His endurance was amazing. His humor was witty. His smile was infectious. His life on this earth was a gift from God. My life was enriched by this precious man. I will miss him deeply. My tears are of sadness but also joy knowing that he is with his Maker. I love you Victor. I will see you one day. We will decorate that big Christmas tree, play with all of our dogs and laugh so hard that the angels will smile. Love Shawn*

“ Victor was a wonderful person and was always there to help me with any computer problems I had. We would often talk about many amusing stories .that happened in our lives. I very much enjoyed those talks with him whenever we had the chance. I loved his wit and humor. The Halloween costumes that he would come up with over the years were amazing. He was always so very creative. This world has definitely lost a wonderful man.

Darlene Coons - August 30, 2017 at 12:32 AM

“ Oh wow, I'm so sorry to hear of this.. Victor you were one of a kind!! But the one thing about you is you were the most artistic person i knew... from the many many backdrop productions you and your mom would paint for the church, to your absolute most beautiful Christmas trees you would decorate and the countless hours you put into it, to the best Halloween costume I have ever seen , you had a talent not many have !!!
