July 26, 1952 - October 9, 2023

Vincent Joyce Scully Jr. (1952-2023)

Jay was born in Queens, NY, the eldest of 6 children of Vincent Scully and Joan Cunningham. Jay passed peacefully on October 9th in his home in Roswell, Georgia, surrounded by his loving family. He enjoyed a wonderful childhood and knew early on that he wanted to be a Soldier. He enlisted in the Army immediately following his graduation from Pelham Memorial High School and later entered the United States Military Academy at West Point with the Class of 1975. His graduation from West Point was one of his proudest achievements. Jay served his country proudly and honorably as an Infantry Officer for 25 years. After retiring from the Army, he worked for IBM Corporation as a consultant until he finally retired in 2017.

Jay adored his family, West Point, and his country. He loved lacrosse and coached Roswell youth for many years. He was an avid reader and student of Military History. Those who knew and loved him enjoyed listening to his many stories. Jay is survived by his wife, Anette of 33 years; sons Matthew and Michael; his mother; three sisters, Mary, Joan, and Barbara; and his brother Keith.

A funeral service will be held at St. Peter Chanel Catholic Church on Thursday, October 19, 2023 at 2 o'clock.

“ Jay Scully was my company commander in Germany. We served together in our unit, AMF(L). He did a great job as commander and provided a great experience with many opportunities for all. His dedication to the soldiers in our unit was at the highest level. I also moved to Kennesaw, Georgia, in 1996/1997 and worked for Jay as a civilian (BTSI). This was a startup that Jay led ahead of its time with scanning and database technology. We gave everything we had toward this company's and its employees' success. From the soldiers of AMF(L), we salute you, Jay! God bless you, Anette, and the kids. We miss you and will miss Jay tremendously. Ace Mobile Sir! Jim and Denise Gilbert

“ Jay and I worked, laughed and commiserated together for several years at IBM. He never did anything half-way, and that was particularly true of friendship. He inspired our team, and had a way of sharing his courage and optimism when I would be a 'little short'. I loved all of his stories, but especially the ones about his beloved family. I count myself blessed to have known him. I only regret not 'getting around' to accepting his many invitations to come visit. I guess that's one more lesson Jay has taught me.

“ Jay was a true Ranger Buddy. From our first meeting at West Point, I always knew I could count on Jay, and if I needed something, Jay would be there. There was no finer classmate, Soldier, or friend than Jay. His loyalty, friendship, sense of humor, and dedication were inspiring to all of us who were privileged to know and serve with him. Brother - you will be greatly missed until we link up on that final dropzone. Rest in Peace my Friend.

“ *Our prayers and sincere condolences to the Jay Scully family and friends on his passing.*

Jay and I were brothers in arms in the US Army, though we only met after our years in uniform.

I enjoyed his countless stories about his time at West Point and from numerous postings overseas.

He was a true patriot and loved his service to God, Country and Family.

Rest in Peace, fellow soldier.
