“ *To the family of Virginia,
It is no doubt to you all that Virginia was an wxtra special lady. We worked at Alpharetta Christian Academy together and she was always one of my favorites. She was always willing to hem my duahgter's (Ashley) uniform skirts for school. She was always a good and faithful servant to the community. She was a GOLDEN ANGEL! I'm sure that she is having a wonderful time with the Lord! Prayers go out to you all for your loss. We loved her!

“ So sorry to hear today of your Mom's passing, and yet so happy and excited for her that she is free and peaceful and well. Blessings to all the family, and will pray for comfort and strength in the days ahead. Will miss seeing her at our church from time to time. She truly was, and is a very lovely lady. You will miss her so much, just remember all the wonderful memories, and all the friends you have that will share your loss.##imported-begin##Ann Wilson##imported-end##

“ Virginia was so dear to me. God brought her into my life during one of the hardest times I'd ever faced. I had the joy of teaching with her for several months at AMCA and God used her to bless my life tremendously. My prayers are with you, not only now but in the days to come. Take comfort in knowing that your mother & grandmother was dearly loved by many people. Jeremiah 29:11##imported-begin##Cheryl (Springer) Adams##imported-end##

“ Virginia was an amazing lady and I'm so honored to have had the privilege to know her. She has left a wonderful legacy behind for her family. My thoughts and prayers are with you at this time as we remember her life knowing that now she is in the one place she would rather have been that here.....HEAVEN WITH JESUS. We shall see her again. God's peace and comfort be your portion now and forever.##imported-begin##Essie Waitbaka##imported-end##

“ With deepest sympathy. I always enjoyed her visits to our church, especially when she would come and donate blood, or come for one of our special events. She was a delight to be around.##imported-begin##Ben Willis##imported-end##
