“ *I wish I had known that Mrs. Lollar had passed away. She was my teacher at Pine Lake in the 70's. I remember staying at her house for a few days when my step mom had surgery and she was just so sweet to me. God bless, Tanya Shaw Napolitano*

“ *I am so sorry that I just heard about this today. I wish I could have been there to support Jeslyn. Please tell her I'm thinking about her and your family in this sad time.*

“ *Oh how I wish I had known earlier - I would certainly have come to the service to hug sweet Jeslyn. Ginny ran a tight ship in the copy room and art room at Birmingham Falls where she regularly volunteered. I know she would have done the same at middle school too - being an active part of Jeslyn's school career was so important to her! And her hard work was so appreciated :). I just heard the news of her passing today and I'm just so sad about it. What a great lady. Hugs to Ray and Jeslyn. - Andrea Bartels*

“ *Ginny was a very sweet lady. I didn't get to see her very often, but I always enjoyed the times we were together.
Now she's with the Lord. No better place to be. Love you, Ray.*
