*Virginia and I worked the Voting Polls together for twelve years, at the Roswell Presbyterian Church. We had so much fun we worked hard, but Virginia made it seem like a special event. Each person would bring a favorite snack/dessert and during those long hours when sometimes there wouldn't be many voters. we ate, sometimes walked up and down Mimosa Street or just became acquainted with some of the Poll Workers whom we didn't know as well.*

*She was a hard worker, very organized, smart and lots of fun. I learned to respect her, love her and I looked forward to spending the day under her tutelage. She was my hero, mentor and good friend. Penny, Pam and Pat, your Mom loved you unconditionally and my heart breaks alongside yours, but she would want us to look forward to the day when we will see her again. Lots of prayers and love, Linda Strickland Stovall*
