“One of the Anderson boys” is something I can imagine his school teachers saying when they were growing up. Carroll, Virlyn, and Larry (plus one who went on before). I have good memories of family reunions with Elmer & Audrey Anderson and the whole clan — at Christmas and on July 4 every year. It was always a big gathering of family that kept growing through the years. A big family in a small 2-bedroom house on Mayfield Road, in Alpharetta, GA. So much has changed, but memories are sweet of my family members and I wanted to let you know how I cherish those memories! Love to Nancy and kids (my cousins).

“ Deepest sympathy to Nancy and all the children, especially that precious grand baby Liam so cute. Virlyn and I had many special memories together in our childhood growing up as we were double kin and you will remain in my heart until we meet again. I am so glad I got to take you to lunch in your last days and read scripture to you at Hospice during your last week on this earth. Love and condolences to all of you.
