“ I was very sad to leard of Vivien passing, what a wonderful kind lady.I went throught Joes EMT class many years ago. Vivien was one of the many ladys i rode wih. She was so funny and we were always getting in trouble. Vivien taught me that some times you just had to laugh after a serious call to cope with it. I loved her dearly. We loss touch over the years but i will always have my special memories . Joe & Debra I am so sorry for your loss.

“ It was good to see everyone last night. I know it will take time to move on but it doesn't mean you ever forget all of the funny things, happy times and the sad times. They are all precious memories and that is why I love that song so much. God bless all of you.
