

Wallace Wesley Berry

December 4, 1934 - February 11, 2025

Wallace (Wally) Wesley Berry ,90, of Alpharetta Georgia passed away peacefully at his home surrounded by family on February 11, 2025. We rejoice in the promise of eternal life through Jesus Christ.

Wallace was born on December 4th 1934 in Chipley Florida to Louise and John Berry. Wallace went on to stand out in multiple High School sports, with his favorite being football. He set his sights on Georgia Tech, where as a student in Electrical Engineering, he became a Yellow Jacket enthusiast.... attending football games with his family and friends for over 65 years. After marrying his middle school sweetheart, Sandra, Wallace worked his way through GA Tech which continued onto several engineering opportunities. His long successful career with Hewlett Packard held his most treasured memories, garnering many lifelong friendships along the way. Always entertaining with his quick wit and humor, Wallace never met a stranger. A few of his many interests included college football, attending sporting events, sports trivia and stats, vegetable gardening, classic country music, genealogy research and most importantly, shucking oysters and spending time with his family. Wallace is survived by his 4 children, Debbie (Oscar), Karen (Bill), Wesley (Tara) and Stacey (Mike); his 5 grandchildren Alex, Oscar Jr, Lexi, Cameron and Reece; his 3 great grandchildren Nicole, Lauren and Jack; and his loyal companion for the last 4 years, his Vizsla dog Brady. Wallace was predeceased by his beloved wife of 65 years, Sandra.

“ I have so many wonderful memories with my friend and family Wallace. His humor, quick wit, determination, cooking skills and his love of country music always set us up for good times. Wallace always embraced and cared for my sons and what was going on in their lives. He attended their sporting events, and followed their progress. We will all miss Wallace but will always cherish the man and his caring nature. We love you Wallace and thank you for always being there thru thick and thin. Annabelle loved you too and so enjoyed coming over to see you and how you always made her feel welcomed and loved.

“ I enjoyed seeing pictures of Wally, his family, and the various events of his life.

We spent many evenings with Wally and Brady at the Northwestern Middle school, where our woofers romped off leash. I thought I had to lead Wally to Christ, after all he was 90! But, he was already a believer and knew where he was going after leaving this mortal life. I told him to look for me when he gets to heaven. See you later, Wally.

“ I have so many fond memories of Wally. They stretch back to the spring of 1977, when he interviewed me on the University of Florida campus. Wally took a chance on hiring me right out of college to work for him in Atlanta. He was a great boss, mentor, and friend who had a special talent for making work a lot of fun. My family and I will always be very grateful to Wally for giving me the opportunity to start my career, which spanned almost 44 years with the company. He will be dearly missed and I offer my deepest sympathies to his family.
