“ *"Square" Ferguson was my boss at Fulton County Transportation for about 18 years and he was the best boss I've ever had! He was one of the kindest, sweetest men I've ever known! We worked with Special Needs children which can be extremely difficult and tension-filled at times, but Square always had a smile on his face and a joke to make me laugh! I really loved this man and will sincerely miss him now that he's gone! Love and prayers to his family! Lea Ogozelec*

“ Sorry to hear about your lose. Square was a awesome boss he was my supervisor when I first started driving a bus, when I took my final test to get my CDL's he gave me the test. Irremember when he meet my son Bobby for the first time, Square was sitting at his desk and we went in and Bobby told him that he could sit there and do his job with no problem. Now they are now together may they both rest in peace. I will miss them both very much.

*My prayers are with you and your family,*

“ I remember when we were in school the basketball players all rode the bus to away games. We had more fun on the bus that we did playing basketball. Square was always in the middle of something. He and my brother Joe and other boys hung out together. we had lots of fun always into something. Telling jokes or just messing around. He had a good life and will be missed by many. Those were the good old days.
