

Walton Jolly Griffin Jr.

March 12, 1948 - March 14, 2026

Walton Griffin, 78, of Marietta, GA died on March 14, 2026. Walt was born on March 12, 1948 in Vienna, GA. Walt grew up in Miami before attending the University of Florida in Gainesville. While working at Southern Bell, he met his wife, Gloria, and they married in 1977. Walt worked as a City Commissioner in Parkland, FL while working for Southern Bell. He eventually stepped away from politics, at which time Gloria took over his seat as Commissioner. He moved with his family to Roswell, GA in 1985, and worked for the phone company until his retirement in 1998. Walt used his big personality to begin a second career in real estate, where he prided himself on selling houses to first time homeowners. After his second retirement, he decided to fill his time serving as a substitute at Roswell High School, where he loved working with students. Walt was an avid Florida and Braves fan, enjoying watching his teams win national championships and the World Series several times. Walt was an avid golfer, playing at courses around the world, including St. Andrews and Pinehurst. Walt also loved to serve others, volunteering to type braille materials for those in need and volunteering at church through his membership with the Knights of Columbus. He is survived by his daughter, Sara Fetterman and husband Jason; adopted daughter, Michelle Pace; and four grandchildren, Samantha and Peyton Pace, and Sophia and Logan Fetterman. He will be greatly missed. Visitation is at Northside Chapel, 12050 Crabapple Rd, Roswell, GA 30075 on Wednesday, March 18 from 10:00 – 11:00 am, with the service immediately following at 11:00 am.

“Walt was my dear friend of 35 years. In addition to our shortened first name (Walt), we shared so much in common, particularly baseball & movies. It was an honor & privilege to take him to the MLB Hall of Fame in Cooperstown for his first & only visit. Also to take him last year to his first and only MLB all-star game at Truist Park. He will be in my thoughts daily until we meet again someday and "play ball." I love you my friend! Walter

“ When I think of Walton Jolly Griffin two memories come to mind. Fristly when we worked together in Fort Lauderdale in the 70's the thousands of spades games we together as a team, and you could not have asked for a better partner, the kid from Miami and the punk from NYC, what a team. Secondly when we reconnected in the 90's in Roswell there was a little item called the "Griff-Oni" Cup. It was awarded every year after Thanksgiving Dinner, it involved a little trivia, a little yelling, some arguing, some crying, and a ton of joy! Rest well my friend.

Walt was my friend. We shared many experiences and memories. Walt, Gloria, Martha and I played many rounds of golf together. We'd get the first tee time on Saturdays. Walt and I would laugh that we were the only two men in Big Canoe who routinely got our butts kicked by our wives. We were great trivia team mates on the Commodores. Enjoyed going to Braves games. And frequently met up for lunch. There will be a hole in my life without Walt. I'll miss you, buddy!

“ Oh, Sara, I have so many memories of your dad! He and Armistead would always talk about UF and football. And what a joy it was to come over to your parents' house to celebrate. It's a hard loss. Sending lots and lots of love. Alice Pendergrast
