

## Mrs. Waneta Howard Calvert

October 9, 1936 - October 28, 2018

Waneta Howard Calvert (82) passed away Sunday October 28. Cherished wife, mother, grandmother, sister, aunt, and friend, Waneta was preceded in death by her beloved husband Richard (Dick) to whom she was married for 63 years. She is survived by son Gregory, daughter-in-law Laura, and their children, as well as numerous brother/sister in-laws, nieces, nephews and friends.

Waneta, a self-proclaimed lover of 'old people and animals', enjoyed golf, tennis, bridge, reading, and visiting their cabin. Waneta ran the office for Southeastern Pools which she and Dick were founded and operated for 45+ years building thousands of pools across Jacksonville. Waneta had a wicked sense of humor and was blessed with many lifelong friendships. An excellent cook and baker, we will continue to try and duplicate her famous chocolate chip cookies.

In lieu of flowers, donations can be made in her honor to your local Humane Society.
