“ *While I am deeply saddened by Pop's passing - I am so thankful that he and Mama Shirley are together again! I know that Pop was welcomed in Heaven not only by Mom, but by Bear and Mikey! There's a great poker game in Heaven tonight as the 3 players are reunited!*

God bless the entire Whitfield family and console them during this difficult time but remember - we will meet him again on that Beautiful shore!##imported-begin##Stacia Mentus##imported-end##

“ *Wendell, Karen & Family:*
We are so sorry to hear of your father's passing. We have been there and know first hand how hard it is to loose someone so dear. We could not make it to the visitation due to Ron being on call at work, but you are certainly in our prayers. On the positive side, at least your mom & dad are together again in a beautiful heaven. We know that does not ease the pain now, but in time it will. If you need anything, please don't hesitate to call. We love you guys and may God bless you and help you through this difficult time.##imported-begin##Ron & Wendy Cowart##imported-end##

“ Wendell, Karen and family, Like so many others on this guestbook, I cannot begin to put into words how sorry I am for your loss. "Pops" was so many things to so many of us. Even though I only knew him for the last 10 years or so, he was a wonderful, caring, hardworking man who put his family first and that even included his "extended" family of Jaycees. Never once was I in his company that I did not feel welcomed. His stories, laughter and love will be felt for many years to come. Please know that we all love you guys and will be here for you in this time. He and Mom are in heaven together where their spirit and love will comfort you from now on just knowing they are back together. We love you...Boo, Mallory and Prentice###imported-begin##Susan "Boo" Spraggon, Mallory and Prentice###imported-end##
