“ *To The Pendley Family,*

I am so sorry for your loss. I was so saddened and shocked when I learned of Wendell's passing.

I met Wendell when we were teenagers while on vacation in Cherokee, N.C. He was with his friend Steve and Steve's parents. We met at a little road side singing. We became instant friends and stayed in touch for a while. He was such a sweet person and I remember he smiled all the time. Wendell, Steve and Steve's parents drove there RV to South Carolina to visit us. My Mother drove us to the movies, such a fun time that I have treasured all these years. He was always talking about his car he was restoring. He was so excited about that car. I've never forgotten Wendell and I have often thought of that friendly, smiling teenage young man I met so long ago. I will especially now hold those memories very dear.

May God wrap his loving arms around each of you and give you the strength you need in this time of sorrow.

With Sincere Condolences,

*Kathy Sumner

“ I thought a lot of Wendell. He was a really great guy I worked with him at the School System. I remember when he came in with some buttermilk pie his mother had made and made me try it and it was great and had to have the recipe. To this day I make buttermilk pie ever Christmas. I worked on the photo and fixed it for him that he gave his dad for fathers day with the car they restored. I will pray for his family. I was glad to have known him and it broke my heart to know he had passed.

“ *Mrs. Pendley is the Mom I no longer have. She became close friends with my mother over the phone because her son and I were friends. Her and Mr. Pendley went several hundred miles when my mom was tragically killed! These people are true family and my heart breaks for them. May God give you all peace and understanding. I love y'all and am praying for you. Love Always, Ray Walley*

“ "I've got more to go to heaven for, than I had yesterday"...

Your smile, your laugh, your voice, will never leave our memory. You were such a big part of our church and things will never be the same without you! I never knew you to have an enemy. All the children loved you so! We now have big shoes to fill. Jerry, Carol, and Libby, we all love you so much!! Never hesitate to call if there is anything that we can do!

Wendell, I miss you so much buddy, but thank God I've heard your experience of grace and I WILL see you again!
