“ It's been a couple of weeks and I am still at a loss. Burton was such a dear friend and he will be missed by all of us. His dry sense of humor and funny wit always kept you on your toes. I had never seen him ride a bike and Will and I took him on the 50 mile bike ride for the cycling merit badge... I don't think Burton has ridden a bike since then either but he was going to get that knocked out for Will's merit badge. Such great human being...

“ I pray for strength, peace and love for the family during this hard time. I enjoyed working with Dr. McDaniel at Roosevelt Warm Springs and missed his ways so much when he retired. He always had a story to tell, some history to relate and was so solemn and serious - I was not always sure if he was serious or joking. He gave me words of wisdom before he left, which will always be with me. I will always treasure the time he was a part of my life here. My deepest sympathies to his family.

“ *Condolences to the whole Burton's family from Amer & Snjezana, from Croatia, Europe. We had a pleasure to meet Burton during his charity mission in Croatia. Though the time we had spent together was short, somehow we "clicked", and became friends instantly. A of lot good can be said about our dear Burton here. But we're so shocked and can't find strenght to express our sadness right now. Mary Beth Burkett gave us the bad news. All of you and especially our beloved Burton are in our thoughts. And we pray for you. Thanks Burton again for helping us during the war in Croatia. His coming here, and getting to know him won't be forgotten ever. God bless you all.*
