I got to know Wesley Goswick when he would come visit his Grandfather, Herb Henderson who was my Great Uncle. My Grandmothers brother.

Wes was a a very unique person who touched many lifes during his time here on earth just as my Uncle Herbert touched many lifes. Honor Wes by making someone feel good about themselves and remember to share the good news regarding Jesus Christ and repent of our sins and ask God to forgive you. Then emerse yourself in the Word of God. May God surround the Goswick family with His amazing Love, Peace, and May the Goswicks experience God's Love up close and personal. May God surround Michele, Clay, and Cooper along with Wes's mother, Hilda Sandra and Jody with His Loving and caring arms. Love will carry all of you through this difficult season.

With Love to All
