“ *Jacque, Clint, L'Angel and family;*  
*My heart is broken! I am told by everyone how much I look like Davy...I now consider that a great honor. And between myself, Renee and you guys, you know we just didn't look alike, we WERE alike. From our "goofy-ness" and corny jokes, to our love of nature and family, to most importantly, our love of Our Lord and Saviour, Jesus Christ. I am most proud of that. The small amount of comfort lies in that. I look forward to seeing David again one day, and pray that his death keeps us as close as we have gotten these past few years. Renee and I love you guys dearly, ALL of you mean the world to us. In remembrance of Davy and Our Father above, we are eternally grateful for the peace we have.##imported-begin##Jeff Huffman##imported-end##*

“ *Jacque, L'Angel, Clint, & Traycie,*  
*David was always such a nice man and he will be missed greatly. I will never forgot the wonderful times I spent with your family. Words cannot express how sorry I am for the loss. My heart breaks for each one of you and I hope you are able to find peace. Please know that you are in my thoughts and prayers at this very difficult time. If there is anything I can do, don't hesitate to call. Much love to you all!*

“ I was so sorry to hear about Davey. I am a good friend of Jeff and Renee's, and feel like I know you both through them. I also went to school with Davey, but did not know him at the time, but was looking forward to catching up with him at the reunion. I will keep you and your family in my thoughts and prayers.
