

## Mr. William Marcus "Marc" Arrington

March 14, 1956 - February 19, 2024

William Marcus "Marc" Arrington, 67, of Milton, Georgia, passed into the loving embrace of his Heavenly Father on Monday, February 19, 2024. Marc was the beloved husband of Sheree Rorrer Arrington.

Marc was born on March 14, 1956, in Lynchburg, Virginia, the son of William Cleveland Arrington and the late Jean Delores Wilson Arrington. Marc received a bachelor's in electrical engineering from the University of North Carolina at Charlotte. Most of Marc's professional career was spent as an electrical engineer with Duke Energy. He was a long-time member of Advent Lutheran Church in Charlotte, North Carolina, and after moving to Georgia, transferred his church home to Prince of Peace Lutheran Church.

Besides spending time with his family, Marc's greatest joy was working in his yard and garden. During any season, friends and family always knew they would find Marc hard at work beautifying outside. He took special care to ensure every plant was in the right place to have space to grow, the right sunlight, soil, water, and nutrients. Marc found joy, peace and was closest to God in his garden.

Marc will be especially remembered for his volunteerism and giving. His selflessness was reflected by a lifetime of philanthropic acts including serving the community in his adopted City of Milton, fiercely practicing environmental activism, and ongoing charitable contributions to others in need.

He is survived by his wife of 40 years, Sheree; son, William Colton "Cole" Arrington (Rebeca) of Cumming, Georgia; father, William "Bill" Arrington, of

Forest, Virginia; sisters, Sherrie Harler (Mickey) of Forest, Virginia, and Rhonda Helm (Roy) of Rustburg, Virginia.

In addition to his mother, he was preceded in death by his beloved grandparents, Frederick Frazier and Rosa Wilson.

A memorial service will be held on Wednesday, February 28, 2024, at 2:00 p.m. at Tharp Funeral Home, Lynchburg, Virginia, with his brother-in-law, Pastor Richard Rorrer, officiating.

In lieu of flowers, memorials may be made to the American Tinnitus Association, 8300 Boone Blvd, Ste 500, Vienna, VA 22182. <https://ata.org>.

“ Marc was a class act through and through. He was so fun to be around and his love of his family was infectious. Much love to Sheree and Cole, who will surely carry Marc’s legacy forward. It is true that the peace of God passeth all understanding. That will get us all through, one day at a time. Warm condolences.

“ Marc was one of the kindest men I've ever known. He loved his beautiful garden and very generously shared cuttings from it with me. He missed his daffodils in bloom this year, but they bloomed beautifully in his honor. He made the world a more beautiful place and it will continue to be more beautiful because of him. I miss him!

“ I am so sorry to hear about Marc’s passing. My condolences go out to his family. I really enjoyed working with Marc on the Milton Grows Green Committee. He was passionate about helping shape the City of Milton and preserve the environment. He was a dedicated, loyal and a very intelligent volunteer who gave selfishly of his time, especially related to the solid waste ordinance and recycling efforts! I will miss Marc-rest in peace 🕊

“ Marc was among the first people I met upon moving to Milton in 2008, and it was an honor working with him on the Milton Grows Green committee. He was a kind soul, and he will be missed terribly.
