I was so sorry to hear about Bill. I moved back to Tionesta to take care of my mother. Every time I have driven by your home I have thought of your family, especially your son. Theresa, remember the times I rode with you to Shipperville to take your son to catch the bus to Pittsburgh. You guys were such a cute couple. Pamela Benninger Neil

“ I will try to make a list of memories with one to a few words each: Oldmobile, Orange Datsun Pickup, Poop Deck, burn barrel, clean driveway, pipe, Crator (sp?), gardening, riding lawnmower, Peppy care, player pianos, briefcase, tinkering in the garage, butthe one that sticks out the most is the winter morning my dad warned him it was too icy on the hill to take the Oldsmobile to work. So he decided to walk. It was kind of a freezing rain so Bill had an umbrella in one hand and his briefcase in the other. He stepped out onto the road to walk down the hill and down he went on his behind, sitting on his topcoat, hat on his head, pipe in his mouth, briefcase, in one hand, and umbrella in the other, and slid all the way to the bottom of the hill! As a probably 8 to 10 year old, I could have sworn I saw Mary Poppins going down our hill! But in is dignified Bill Caylor style, he stood up at the bottom, brushed himself off and walked to work. I loved that man!

I always enjoyed chatting with Bill when you lived across the street. I am sorry that Bill lived so many years with his mind gone and not able to enjoy life. That sure wasn't fair for such a good man. Our thoughts are with each of you as we remember Bill as he was when living in Tionesta.
