“ *I met Bill in the early 1980's when I took care of his mother Lillian at Leland Memorial Hospital. (I am the nurse with long red hair, if you remember me, Robert.) He changed the way I felt about myself. He changed my life for the better. What a happy and giving person. He took me places that surprised the heck out of me and he had faith in who I finally became. We saw the movie, 'Superman' together, but he was Superman to me. Rest in peace Bill. I loved you.*
