“ I met Steve in 1976 when I first moved to Atlanta from south Dakota. Steve and I worked for IBM and he was my Mentor, Friend and later my Manger. We remained friends for more then 40 years until now. We have good times remembering all the things we went thru together. I will truly miss my friend Steve. God bless you Cindy and all the family. Lula and I wanted to be there today but you all are in our mind and heart. The Lord is a very present help in time of need and I know He will continue to keep you and the family. I am planning to meet Steve on the other side!! God Bless you!

Like Lee Harris, I met Steve at IBM in the early 70's. Eventually, Steve was my manager for a period of time. But more than that, he was a friend. He had a fun sense of humor, and we had some fun times with all our IBM peers.

We kept in touch through the years and after we both retired. Steve was a people person, a good businessman, a family man, and a gentleman. He loved his family and was an example of what a husband and father should be, and in later years, I'm sure a wonderful grandfather and great grandfather. I will miss our communications.

My sympathy and prayers will be with the family. He will be so missed. May he Rest In Peace.
