“ *We will always remember Dub for his great sense of humor and his generosity to us when Paul worked for him at the market. Paul has many cherished memories of him when they were young and growing up. We loved him and we love all his family. Paul actually considers all of Dud's family as his own family. May you all find comfort in God's unchanging promises and in His steadfast love.##imported-begin##Willie Paul and Margaret McClain##imported-end##*
