“ Wallace was a good friend all through high school. He was such a nice guy. I feel so blessed to have reconnected with him about 4 years ago. He introduced me via text messages to Cathy and told me about Blake. I will miss him. May his family, loved ones, and friends feel God's presence and comfort during this difficult time and in the days ahead.

“ Wallace was so wonderful to keep a check on his loving brother Nelson. They both were sick at the same time. Here's a few great photos he sent Nelson and I. Nelson is now using hospice care at home for cancer and sends all his love to Cathy and Blake and all who loved Wallace. It was a pleasure to get to know Wallace more. With all our Love, Pamela and Nelson Kidd
