“ *Alison -- I am so very sorry to hear about the loss of your Dad. I know this is a very difficult time for you and hope you can find comfort in knowing he was obviously loved and admired by so many. You are surrounded by so many people who care about you and I believe your strength will come from that love.*

“ *Charlotte and family-Are thoughts and prayers are with you all during this difficult time. We have been talking about when you lived here at Mai Kai, and all you and Bill did for the community. Also remembering the cruise we all went on, and had such fun except for the no see-ums! Sincerely Jack and Jean*

“ Bill was born 3 days before I was. He was a true friend. We attended Sparta High School together. I remember many happy times with Bill. He laughed easily and always had something to make you laugh. I remember many of his little sayings to this day. He was not afraid to tackle anything. I remember he once helped me put rings in 41 Chevy. I would have never tackled it on my own. We worked together at the Carnation Milk Co. in Sparta during our HS days. One of our jobs was forking babies in the 125 degree attic of the plant. We always laughed about that. Actually the babies were small milk cans that had to be manually put on a conveyer with a fork that held about 30 cans. If you missed the belt you had cans all over the place. I know he will be missed by all who knew him. I wish I had been able to see and talk to him in his later years. Char, we would like to extend our deepest sympathy to you and your children, Alison & Alan & their extended families.

“ *Bill always had a smile, always was there to lend a hand...I have happy memories of making hurricanes with him during a hurricane. And the mobile bar in a suitcase. But most of all his smile and laugh, and good natured way. He loved to fix things and had such talent and was giving of his time to help. It was an honor and a pleasure to call him family. My deepest sympathy to Charlotte, Alan, Alison, and the kids.*
