

Mr. William Ralph Lesnett

January 1, 1926 - February 6, 2017

William Ralph Lesnett, 91, of Roswell passed away on Monday, February 6. He was born in Bridgeville, PA and grew up in Lakeland, FL. He served in the US Navy during World War II as an Aviation Machinist and a cartographer at the Naval Air Station in Memphis, TN. He received a degree in Electrical Engineering from the University of Florida, and he was also a Registered Mechanical Engineer. He worked for the City of Lakeland, FL for 31 years. At the time of his retirement, he was Managing Director of Lakeland's Electric and Water Utilities. He lived in Fairview NC after retirement and moved to Roswell GA in January 2014. He is survived by his wife of 69 years, Martha Sutton Lesnett, a daughter Lois Rule, two sons, Glen Lesnett and Larry Lesnett, three grandchildren and four great-grandchildren. A graveside service will be held at Georgia National Cemetery on Monday, February 13, 2017 at 12:00pm.

“ *Aunt Martha, Lois, Glen and Larry - so sorry to hear about Uncle Bill. Even though I have lost touch through the years, I still remember when we were younger. Praying for your strength through this time.*

“ *To the Lesnett family; Just want to express my condolences to the family for your lost and to share some words of comfort from Gods word. At Revelations 21:4 Gods word promises that very soon death will be no more. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”Very soon all tears and sorrow will turn into tears of joy for this is Gods Promise for us.May God give you strength now and in the future as you cope with the death of your loved one.*

CS

“ *Martha and Family.....So many wonderful memories we shared with you and Bill for over 38 years on "the circle". From the first time you move to Fairview for good pulling a trailer almost not making it up the icy hill when Joe and I were the only families here.... We even made it through the storm of the century with 2 feet of snow + w/o power. The good Holiday Pot Lucks we had with the Chandlers, Vaughn, we remember the good times.....Bill thanks for crossing my path of life, knowing you have made me a better person.....Martha and Family, we holding you in God'slight with our thoughts and prayers.....charles schoof , Fairview,and norma buckingham, Asheville, N.C.*

Ron Tomlin

“ *Mr. Bill Lesnett hired me into Lakeland Electric and Water as a wet behind the ears engineering student in 1971. He was a fine engineer and a fine man. I still recall standing on the Unit #3 Turbine Deck with him right before he retired when we were fighting every imaginable delay and priblem and him assuring me it would be a good unit. He was right! He started me on a career path that lasted 31 years.*
