William H. "Bill" Mack, age 93, of Roswell, Georgia, passed away Saturday, January 10, 2026.

Bill was born on April 11, 1932, in Dayton, Ohio, the third child and first son of the late Edwin Mack and Ida List (Mack).

Bill was a graduate of Fairmont High School in Kettering, Ohio, where he met and eventually married his sweetheart, Carol McCarthy. Their union blessed them with four beautiful children, Kathleen, Karen, Patricia, and Robert who in turn blessed Bill and Carol with six loving grandchildren, Eric, Kyle, Olivia, Haley, Kasey, and Harrison.

Bill was a veteran of the Korean War, serving in the US Coast Guard manning the Watch Hill Lighthouse US Coast Guard Station in Narragansett, Rhode Island. Upon retiring in 1987, Bill and Carol set their sights on the sand and surf of Florida's West Coast and settled in Englewood, Florida, enjoying golf, pool time, beach living, and the endless joy of living in the Sunshine State. As a result of Bill's farm life upbringing and career of craftsmanship, Bill was exceptionally handy and embarked on a part-time career as the neighborhood and family handyman while Carol pursued real estate. With the arrival their first grandchild, Bill and Carol moved to Georgia in 1993 to be closer to family

and settled into the Roswell, Georgia community.

He is survived by his four children: daughters, Kathleen Mack, Karen Mack, Patricia Mack-Solden, and son, Robert Mack, along with his five grandchildren.

“ I met Mr. Mack when his wife Carol was declining in health. He was so devoted to her. They moved to an assisted living building where they could remain together until she passed away. Every day he would ask the caregivers to dress her, and they would go to the dining room. Carol was barely eating, but he made sure that she would take a few bites. As she declined even more, sleeping most of the day, he would always remind her that he loved her by whispering in her ear and kissing her cheek. When Carol did pass away her loving husband was lying beside her holding her hand. I am thankful that they are together again. Each of my weekly visits after Carol passed, we talked about so many of his fond memories of their travels together and raising their children. Mr. Mack was always kind and thoughtful to caregivers. He had a great sense of humor, and he loved teasing them, and they enjoyed teasing him back. He was the ultimate gentleman. Even when he could barely walk he insisted on walking me to the door when I would leave. May you rest in peace my dear Mr. Mack. It was my honor to have had the opportunity to know you! My sincere sympathy to your family.
