“ *I remember Donald from a very young age. He visited my grandparents often, as my grandfather (Will A DeVore) was his uncle. I especially remember how supportive he was to my mom and my aunt when my grandparents were sick. He was always so kind to us kids when he visited, and we all thought the world of him. My prayers are with his kids and grandkids and his great grandkids, and with Bud and Nell. I'm sure there's quite a cousin reunion going on in Heaven, now that Donald is there.*
