

## Mr. William Fulton Wall, Jr.

July 3, 1953 - May 4, 2016

William F. Wall, Jr. (62) passed away May 4, 2016 after a courageous battle with pancreatic cancer. He is survived by his wife, Teresa, sons, Justin (Micah) and Ben (Katie), mother, Ruby, brother, Kevin, sisters, Suzanne Alcocer and Wendy Speight, and grandchildren, Peyton, Chloe, and Sawyer Grace. He was predeceased by his father.

An Atlanta native, Billy grew up in Cascade Heights, attending Cascade Elementary and Therrell High School. He was proud of his service with the Atlanta Boy Choir and his athletic endeavors throughout his youth. After the family moved to Marietta in 1970, Billy graduated from Sprayberry High School and received a football scholarship to Appalachian State University. There he earned his degree and lettered all four years. Most importantly, he met Teresa Payseur, and they married in 1978.

Billy's career was in the insurance industry, and after a year in Dallas, TX, he and Teresa returned to Georgia and made Roswell their permanent home. Many happy days were spent with their boys as they competed at Roswell Rec and on into high school. While Billy remained an avid sports fan, his family was his passion, and he and Teresa were blessed with a strong and loving marriage and many close friends. Billy was a special man. His kind heart, gentle wit, and loving spirit will be remembered but sorely missed.

The family will receive visitors at the Northside Chapel, 12050 Crabapple Road, Roswell, GA 30075, May 7 at 2 pm, followed by a celebration of life service at 3. In lieu of flowers, the family requests donations be made to The

Lustgarten Foundation for Pancreatic Cancer Research [www.lustgarten.org](http://www.lustgarten.org).

“ *I met Billy at Wausau in 1976. We became good friends, and he made me laugh like no other. My mom worked there too, and she also loved his sense of humor and kind demeanor. I lost touch with him and see this posting years after his death yet still feel compelled to write a tribute to his life. He loved his family so much, and I pray they find comfort in knowing how many lives he touched and have faith that Heaven welcomed him. His jokes all work now! Eternal rest grant unto him, O Lord, and let perpetual light shine upon him.*

“ *I worked with Bill for at least 15 years. He made coming to work so much fun. I would always get into trouble for laughing, but I sat outside his office and could not help but laugh at him allday. He was a pleasure to work with. He loved the Georgia Bulldogs and we would always talk about the games. He loved the Voice and Dancing With the Stars. We always had to compare notes on the singers and dancers. He was very good at his job too and was always there to help the rest of us. The office will be lonely and quiet without him there. He will be missed by everyone. He was truly a special person and I loved him dearly!*

“ *Bill was the life of the party. I have worked with Bill the last 14 years and he made it a joy to come in to work every day. He lived his life to the fullest and enjoyed every minute of it. As funny as Bill could be, he was always available to help, listen or talk when someone needed it. He will be so missed by so many.*

“ *To one of my dearest friends, Billy Wall(z), as he liked to say. Thanks for all the laughs and tears (always more laughter than tears). Sharing our family stories over the last thirty years formed a bond that will never be broken. Your friend forever, Sherry P.*
