“ *Gene and Pam we are so sorry for the loss of Ms. Freddie. She meant so much to us including the boys who always loved walking into the nurse's office at FBCA and seeing her smiling face and open arms. You both are in our prayers. We love you!*

“ Gene, so very sorry to read about Freddie's demise. When I lost Jack I thought I would die but found that each day GOD gave me the strength to go on. May happy memories of days past help you through these trying and painful days. Sure do hope that your health is good and that you are doing well.
