“ Yvonne was like a sister to me. We have laughed a great deal and have shared so many happy times together - I miss her so much. We met at college in Coventry when we were 16 and have stayed close friends throughout the years. We had the privilege of staying with Yvonne and her wonderful family only a month ago and had the holiday of a lifetime. I will never forget her and she will stay in my heart forever. The picture of Yvonne with the dolphin sums her up – always smiling and enjoying life to the full. I will always be there for Adrian, Alexander, James and Alicia although they are so far away. My continued support for Kay and her family in Coventry will always stay. We love you very much Yvonne, Good night, God Bless. Love Linda, Cole and Rebecca xxxxx

“ To my beautiful sister Yvonne, life has never been very fair to you, yet you smiled and laughed your way through everything. You will always be in my heart. I miss you so much already, and can't believe that I will never hear your voice again. I think God must have needed another Angel and unfortunately for us took you way too soon. You know that I will always be here for your family, Adrian, Alexander, James and Alicia, and to take care of our Mum, Dad and brother, David, and nephew Bradley in the UK.

I will always miss and love you.

“ I just heard about Yvonne - this is devastating. A new friend and wonderful family. I am just sick. My heart is with the family and her many friends.

She was a bright and wonderful light in our lives.

“ My memories are many of my youngest sister. All her personal turmoils met with dignity and strength while still caring about how we were here in the uk. Her pride in her own family and the joy we had in sharing what was happening with her children and her nephew , my son Bradley . Her advice and much needed help as I, along with our Mother brought up my son with Yvonne being his Auntie so far away.
our tears and heartache are shared by many and our grief is incomprehensible as we remember the good times shared together . Our thoughts and love go out to Adrian, Alicia, Alexander and James we miss you all and we hold on to one another knowin we ccan't ever see or hear my beautiful sister and Bradleys Aunty ever again . We love you all and pray to that new special star in the sky each night . God bless you all

David and Bradley
