“ *To All of the Simpson Family my heart aches for your tremendous loss of such a beautiful loving soul. I will NEVER again meet anyone like Yvonne. She was truly a one of a kind person, who was kind, honest and just felt good to be around. No matter where we were she could light up a room with her smile. Many a doctor visit took longer than expected, only because Yvonne needed extra time to boast on her family-from her children Sharon and Paul, to Mill and Ellen (who, by the way she loved like her own) to the grandkids to her great grandkids. She bragged on each and every one of them! She cherished her family and the time spent with them more than anything in the world. I missed her when she moved from Seven Lakes and of course, I miss her now. I will never, ever forget her and the time we spent together. I also believe in my heart that she's happy with the Angels, reunited with those previously departed and watching down over her family and friends that she loved so much. REST IN ETERNAL PEACE my dear friend Yvonne-I love you. Amy (Weber) Until we meet again*
