I'm Kyle, I was really close to Zion. Zion was one of those people who would do anything for you, he was a kind young man with a lot of spirit. He was one of the most athletic people I've seen and always shocked me, he was funny, generous, humble and like a father to me. I'll miss you Zion but I will never forget the memories that you gave me and you were like a father to me. Thank you Zion, I love you bro.

“ *My Name is Andrew. Zion was a beacon of light and one of my closet friends. He supported everyone around him and tried to uplift as much people as possible, which is honestly a rare trait nowadays. He really affected my life, and he was always a person I could talk to. I will miss him and miss talking to him! He was such a good person and such a good friend!*
